Re: Langley School District Foundation 5th Annual Golf Tournament
Location: Redwoods Golf Course
Date: Wednesday, August 25, 2010

Registered Charity Number: 87308 4917 RR0001

We are pleased to submit our proposal regarding our annual Golf Tournament. Held as a fund raising event, the tournament will feature a wonderful day of golf, lunch, dinner and a silent and live auction. Prizes include weekend trips to Whistler, TV sets, golf clubs, and rounds of golf, to name a few. And that's not all! There will be contests, free give aways and lots of opportunities to meet and greet the people of Langley.

Because the Langley School District Foundation is committed to raising funds to support innovative educational programs that are not covered by the Ministry of Education or the School District budget, all proceeds from the tournament will go towards programs of excellence for a variety of students. This year we will be supporting bursary programs for deserving students to enable them to participate in sports, dual credit programs, conferences and field trips (activities that require substantial funds in order to participate).

We expect about 144 business people, school district employees and other community members to form the foursomes at our tournament. We are inviting corporations and service organizations to become sponsors or to donate prizes. If you choose to participate you will receive recognition not only at the tournament site (powerpoint presentations, score cards, cart signs, hole signs, etc.), but in the local media and in our annual report, newsletter and web site. We anticipate much attention and a great turn-out for a worthy and important cause.
